Phase 1: Subjective Interviewing

Patient: I've been feeling not so well, always anxious, and sometimes I hear some strange sounds.

GPT-5.5: Are they like someone whispering in your ear, or are they sounds coming from outside?

Qwen3-14B: That sounds really frightening and exhausting. I'm sorry you've been going through this. You don't have to face it alone. Can you tell me more? ...
